

Jonas Brothers - Fly With Me

Tom: G
Intro:

(C G F Am G)

If time were still
The sun would never never find us
We could light up
The sky tonight
If I could see the world through your eyes
Leave it all behind

Refrão:

It's you and me forever
It's you and me right now
It'll be alright
Be alright
Chasing stars and losing shadows
Peter Pan and Wendy turned out fine
So won't you fly with me

Oh Yeah
Gotta fly with me now

Now the past can come alive
And give it meaning
And a reason
To give all I can
To believe once again

Refrão:

It's you and me forever
It's you and me right now

It'll be alright
Be alright
Chasing stars and losing shadows
Peter Pan and Wendy turned out fine
So won't you fly with me
Maybe you were just afraid
Knowing you were miles away
From the place where you needed to be
And that's right here with me

It's you and me forever
It's you and me right now
It'll be alright
Chasing stars and losing shadows
Peter Pan and Wendy turned out fine
So won't you fly with me

It's you and me forever
It's you and me right now
It'll be alright
Be alright
Chasing stars and losing shadows
Peter Pan and Wendy turned out fine
So won't you fly

Fly
Fly with me

Acordes
