

# Jonas Brothers - Fly With Me

Tom: G  
Intro:

( C G F Am G )

If time were still  
The sun would never never find us  
We could light up  
The sky tonight  
If I could see the world through your eyes  
Leave it all behind

Refrão:

It's you and me forever  
It's you and me right now  
It'll be alright  
Be alright  
Chasing stars and losing shadows  
Peter Pan and Wendy turned out fine  
So won't you fly with me

Oh Yeah  
Gotta fly with me now

Now the past can come alive  
And give it meaning  
And a reason  
To give all I can  
To believe once again

Refrão:

It's you and me forever  
It's you and me right now

It'll be alright  
Be alright  
Chasing stars and losing shadows  
Peter Pan and Wendy turned out fine  
So won't you fly with me  
Maybe you were just afraid  
Knowing you were miles away  
From the place where you needed to be  
And that's right here with me

It's you and me forever  
It's you and me right now  
It'll be alright  
Chasing stars and losing shadows  
Peter Pan and Wendy turned out fine  
So won't you fly with me  
Solo:

It's you and me forever  
It's you and me right now  
It'll be alright  
Be alright  
Chasing stars and losing shadows  
Peter Pan and Wendy turned out fine  
So won't you fly  
Fly  
Fly with me

## Acordes
