

Jonas Brothers - I'll Be Fine

Tom: C
Intro: Am Em G Am Em G

C
when im gone
when i thought it'd all been said

a little bit longer and i'll be fine
but you dont know what you've got
till its gone
And you dont know what its like
to feel so low
And everytime you smile you laugh you glow
you dont even know, no, no
you dont even know

C
all this time goes by
And still no reason why
a little bit longer and ill be fine

C
waiting on a cure
none of them are sure
a little bit longer and ill be fine

but you dont know what you've got
till its gone
And you dont know what its like
to feel so low
And everytime you smile you laugh you glow
you dont even know, no, no
you dont even know
you dont know what you've got
till its gone
And you dont know what its like
to feel so low
And everytime you smile you laugh you glow
you dont even know, no, no
you dont even know
so ill wait till kingdom come
all the highs and lows are gone
a little bit longer and ill be fine
ill be fine
