

# Jonas Brothers - Lonely (feat. Diplo)

Tom: Db  
Intro: Bbm Gb Db Ab

Guitarra 1

Guitarra 2

[Primeira Parte]

Wanna ride with you  
Till the wheels fall off  
Until we're running out of road  
Wanna dance with you  
Till the music stops  
Until we got no place to go

[Pré-Refrão]

Everybody needs a  
Place to hide  
This don't have to be  
A bumpy ride

I think we should  
Be alone tonight

Because we don't  
Have to be lonely  
Everybody needs  
Some company  
Let's talk about it  
Over one more drink

I think you should  
Be alone with me

Because we don't  
Have to be lonely  
Don't have to be lonely

[Refrão]

Lonely  
Don't have to be lonely  
Don't have to be lonely  
Don't have to be lonely

[Segunda Parte]

Wanna ride with you  
Till the world stands still  
Like there's no one  
Else but us  
Wanna dance with you  
Until we can't stand up  
Until we both give into love

[Pré-Refrão]

Everybody needs a  
Place to hide  
This don't have to be  
A bumpy ride

I think we should  
Be alone tonight

Because we don't  
Have to be lonely  
Everybody needs  
Some company  
Let's talk about it  
Over one more drink

I think you should  
Be alone with me

Because we don't  
Have to be lonely  
Don't have to be lonely

[Refrão]

Lonely  
Don't have to be lonely  
Don't have to be lonely  
Don't have to be lonely

[Terceira Parte]

Wanna ride with you  
Till the wheels fall off  
Until we're running out of road

## Acordes
