

Jonas Brothers - Love Bug

Tom: E
Intro:

Verso 1:

Called her for the first time yesterday,
Finally found the missing part of me,
Felt so close but you were far away,
Left me without anything to say,

Refrão:

Now I'm speechless, over the edge, I'm just breathless,
I never thought that I'd catch this love bug again,
Hopeless, head over heels in this moment,
I never thought that I'd get hit by this, love bug again,

Verso 2:

I can't get your smile out of my mind,
I think about your eyes all the time,
You're beautiful but you don't even try,

Modesty is just so hard to find,

Refrão:

Now I'm speechless, over the edge, I'm just breathless,
I never thought that I'd catch this love bug again,
Hopeless, head over heels in this moment,
I never thought that I'd get hit by this, love bug again,

Verso 3:

Kissed her for the first time yesterday,
Everything I wished that it would be,
Suddenly you forgot how to speak,
Hopeless breathless baby can't you see,

Refrão:

Now I'm speechless, over the edge, I'm just breathless,
I never thought that I'd catch this love bug again,
Hopeless, head over heels in this moment,
I never thought that I'd get hit by this, love bug again,
