

# Jonas Brothers - Love Her

tom:

Ab (forma dos acordes no tom de G )

Capostrate na 1ª casa

Drive me crazy, make me mental  
 No other buttons she can push  
 One second she's Miss Sentimental  
 Then she's afraid she's said too much

Opposites attract and we're the livin' proof of this  
 But I keep on comin' back like a magnet

'Cause when you love her, no matter the fight  
 You know she's always right and it's alright  
 And they say love can hurt, but seein' her smile  
 Will get you every time, yeah, every time  
 Because you love her, la-la-lala-lala  
 Love her, yeah

I put my selfish ways in boxes  
 And shipped 'em back to where they came  
 We never let it get close to bein' toxic  
 And I promise I'll never walk away

Opposites attract and we're the livin' proof of this

But I keep on comin' back like a magnet

'Cause when you love her, no matter the fight  
 You know she's always right and it's alright  
 And they say love can hurt, but seein' her smile  
 Will get you every time, yeah, every time  
 Because you love her, la-la-lala-lala  
 Love her, yeah

Gotta learn to let the small things go  
 And know it's always far from perfect  
 And I know that we can get emotional  
 But the hardest parts are always worth it

'Cause when you love her, no matter the fight  
 You know she's always right and it's alright  
 And they say love can hurt, but seein' her smile  
 Will get you every time, yeah, every time  
 Because you love her, la-la-lala-lala  
 Love her, yeah  
 Because you love her, la-la-lala-lala  
 Love her, yeah

Beacause you, because you  
 Because you love her

## Acordes
