

Jonas Brothers - Love Her

tom:

Ab (forma dos acordes no tom de G)

Capostrate na 1ª casa

Drive me crazy, make me mental
 No other buttons she can push
 One second she's Miss Sentimental
 Then she's afraid she's said too much

Opposites attract and we're the livin' proof of this
 But I keep on comin' back like a magnet

'Cause when you love her, no matter the fight
 You know she's always right and it's alright
 And they say love can hurt, but seein' her smile
 Will get you every time, yeah, every time
 Because you love her, la-la-lala-lala
 Love her, yeah

I put my selfish ways in boxes
 And shipped 'em back to where they came
 We never let it get close to bein' toxic
 And I promise I'll never walk away

Opposites attract and we're the livin' proof of this

But I keep on comin' back like a magnet

'Cause when you love her, no matter the fight
 You know she's always right and it's alright
 And they say love can hurt, but seein' her smile
 Will get you every time, yeah, every time
 Because you love her, la-la-lala-lala
 Love her, yeah

Gotta learn to let the small things go
 And know it's always far from perfect
 And I know that we can get emotional
 But the hardest parts are always worth it

'Cause when you love her, no matter the fight
 You know she's always right and it's alright
 And they say love can hurt, but seein' her smile
 Will get you every time, yeah, every time
 Because you love her, la-la-lala-lala
 Love her, yeah
 Because you love her, la-la-lala-lala
 Love her, yeah

Beacause you, because you
 Because you love her
