

# Jonas Brothers - Love Her

tom:

Ab (forma dos acordes no tom de G )

Capostrate na 1ª casa

Drive me **G** crazy, make me **Am** mental **Em** **C**  
**G** No other buttons she can push **Am** **Em** **D**  
**G** One second she's Miss Sentimental **Am** **Em** **C**  
**G** Then she's afraid she's said too much **Am** **Em** **D**

**G** **Am** **Em** **C**  
Opposites attract and we're the livin' proof of this  
**G** **C** **D**  
But I keep on comin' back like a magnet

**G** **Am** **Em** **C**  
'Cause when you love her, no matter the fight  
**G** **Am** **Em** **D**  
You know she's always right and it's alright  
**G** **Am** **Em** **C**  
And they say love can hurt, but seein' her smile  
**G** **Am** **Em** **D**  
Will get you every time, yeah, every time  
**G** **Am** **Em** **C**  
Because you love her, la-la-lala-lala  
**G** **Am** **Em** **D**  
Love her, yeah

**G** **Am** **Em** **C**  
I put my selfish ways in boxes  
**G** **Am** **Em** **D**  
And shipped 'em back to where they came  
**G** **Am** **Em** **C**  
We never let it get close to bein' toxic  
**G** **Am** **Em** **D**  
And I promise I'll never walk away

**G** **Am** **Em** **C**  
Opposites attract and we're the livin' proof of this  
**G** **C** **D**

But I keep on comin' back like a magnet

**G** **Am** **Em** **C**  
'Cause when you love her, no matter the fight  
**G** **Am** **Em** **D**  
You know she's always right and it's alright  
**G** **Am** **Em** **C**  
And they say love can hurt, but seein' her smile  
**G** **Am** **Em** **D**  
Will get you every time, yeah, every time  
**G** **Am** **Em** **C**  
Because you love her, la-la-lala-lala  
**G** **Am** **Em** **D**  
Love her, yeah

**C** **D**  
Gotta learn to let the small things go  
**Bm** **Em** **D**  
And know it's always far from perfect  
**C** **D**  
And I know that we can get emotional  
**Em** **D**  
But the hardest parts are always worth it

**G** **Am** **Em** **C**  
'Cause when you love her, no matter the fight  
**G** **Am** **Em** **D**  
You know she's always right and it's alright  
**G** **Am** **Em** **C**  
And they say love can hurt, but seein' her smile  
**G** **Am** **Em** **D**  
Will get you every time, yeah, every time  
**G** **Am** **Em** **C**  
Because you love her, la-la-lala-lala  
**G** **Am** **Em** **D**  
Love her, yeah  
**G** **Am** **Em** **C**  
Because you love her, la-la-lala-lala  
**G** **Am** **Em** **D**  
Love her, yeah

**C** **Cm** **Bm** **Bbm**  
Beacause you, because you  
**Am** **D7** **G**  
Because you love her
