

Jonas Brothers - Neon

Tom: D

Stars fade
 Hearts break
 Fair trade
 Is it ever even
 Don't wait
 To stay
 Awake
 When you realize
 That time just keeps on moving
 While you're standing here still living in the dark
 So neon, neon
 Burn up the sky
 Just like a fantasy where all I can see is
 Neon, neon
 Show me your light
 I'm running out of time
 So give me a sign
 Neon, neon, neon
 Give me a sign, neon, neon, neon
 Give me a sign, neon
 Sun set
 Street red
 Lights they
 Always call my name
 And I
 Want more time
 Won't kill me

'Cause the time just keeps on moving
 While I'm standing here still living in the dark
 So neon, neon
 Burn up the sky
 Just like a fantasy where all I can see is
 Neon, neon
 Show me your light
 I'm running out of time
 So give me a sign
 Neon, neon, neon
 Give me a sign, neon, neon, neon
 Give me a sign, neon
 I've been looking for the reason
 What's the answer or the meaning of it all?
 All
 Hope tonight you're gonna show me
 Just surround me 'til I'm glowing in the dark
 Yeah Oh neon, neon
 Burn up the sky
 Just like a fantasy where all I can see is
 Neon, neon
 Show me your light
 I'm running out of time
 So give me a sign
 Neon, neon, neon
 Give me a sign, neon, neon, neon
 I'm running out of time
 So give me a sign neon
