D D D  
So forget that fancy car  
A A A  
I don't need to go that far  
Bm Bm Bm  
What's driving me is following my dreams, yeah  
It's pretty easy to figure out from there.

Hand clapping  
Earth shaking  
Heartbreaking  
There's no faking  
What you feel when your on a roll  
Yeah, yeah

Music's in my soul  
I can hear it everyday, everynight  
It's the one thing on my mind  
Music's got control  
And I'm never letting go, no no  
I just wanna play my music  
I just wanna play my music

Can't imagine what it'd be like  
Without the sound of all my hero's singing all my favorite songs  
So I can sing along

Music's in my soul  
I can hear it everyday, everynight  
It's the one thing on my mind  
Music's got control  
And I'm never letting go, no no  
I just wanna play my music

Music's in my soul  
I can hear it everyday, everynight  
It's the one thing on my mind  
Music's got control  
And I'm never letting go, no no  
I just wanna play my music  
All night long
