I'm gonna give my love to someone else

show you what I've got but

Lyrics:

Chorus:

It's too late to pretend, you know me better than I know myself

She's such a flirt
And I am the lonely heart
Give it a chance
For our love to start
But you'll never see
If you don't give me a shot
To show you what I've got, but

Don't take my heart and put it on a shelf

(Chorus)

Always someone else, the next guy who will Make your cold heart melt

It's too late to pretend
You know me better than I know myself
Don't take my heart and put it on a shelf
Always someone else
The next guy who will
Make your cold heart melt
I'm gonna give my love to someone else

I'm gonna give my love to someone else

Verse 2:

I held your hand (ahh) It felt like a movie

I held your hand (ah ah)
It felt like a movie
I made some plans (ah ah)
But you were already moving on
Now, I'm stuck under a rainy cloud
But you don't seem to care
But it's alright 'cause

I made some plans (ahh) but you were already

Moving on now, I'm stuck under a rainy cloud but you don't

(Chorus)

It's too late to pretend
You know me better than I know myself
Don't take my heart and put it on a shelf (yeah)
Always someone else
The next guy who will
Make your cold heart melt
I'm gonna give my love to someone else

seem to care but it's alright 'cause

Chorus:

It's too late to pretend, you know me better than I know myself

I'm tired of wasting all my time
My heart is hanging on the line
Is it me girl or someone else
Please take it off the shelf

Don't take my heart and put it on a shelf yeah!

(Chorus)

Always someone else, the next guy who will Make your cold heart melt

It's too late to pretend
You know me better than I know myself
Don't take my heart and put it on a shelf

I'm gonna give my love to someone else
