Tom: **G** la la la...  
Intro:

Verse 1:

She's such a flirt and I am the lonely heart

Give it a chance For our love to start

But you'll never see if you don't give me a shot to

show you what I've got but

Chorus:

It's too late to pretend, you know me better than I know myself

Don't take my heart and put it on a shelf

Always someone else, the next guy who will heart melt

I'm gonna give my love to someone else

Verse 2:

I held your hand (ahh) It felt like a movie

I made some plans (ahh) but you were already

Moving on now, I'm stuck under a rainy cloud but you don't

seem to care but it's alright 'cause

It's too late to pretend, you know me better than I know myself

Don't take my heart and put it on a shelf yeah!

Always someone else, the next guy who will heart melt

Lyrics:

She's such a flirt  
And I am the lonely heart  
Give it a chance  
For our love to start  
But you'll never see  
If you don't give me a shot  
To show you what I've got, but

(Chorus)

It's too late to pretend  
You know me better than I know myself  
Don't take my heart and put it on a shelf  
Always someone else  
The next guy who will  
Make your cold heart melt  
I'm gonna give my love to someone else

I held your hand (ah ah)  
It felt like a movie  
I made some plans (ah ah)  
But you were already moving on  
Now, I'm stuck under a rainy cloud  
But you don't seem to care  
But it's alright 'cause

(Chorus)

It's too late to pretend  
You know me better than I know myself  
Don't take my heart and put it on a shelf (yeah)  
Always someone else  
The next guy who will  
Make your cold heart melt  
I'm gonna give my love to someone else

I'm tired of wasting all my time  
My heart is hanging on the line  
Is it me girl or someone else  
Please take it off the shelf

(Chorus)

It's too late to pretend  
You know me better than I know myself  
Don't take my heart and put it on a shelf

La la la la la  
La la la la la

Everybody!

Always someone else  
The next guy who will  
Make your cold heart melt  
I'm gonna give my love to someone else  
Yeah

Woo hooooo
