

Jonas Brothers - Summer Baby

tom:

Intro: F C G C F C D

You're a full blown problem, lucky I'm your baby's father
 Got that ooh so proper, and I'm thankful for your momma
 Got that two-step popping, you're a melody, babe
 Skyline baby blue, still catching feelings for you

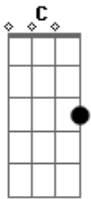

Feelings for you
 You feel like summer, baby, heating up my body
 Too much tequila, now we're dancing in the lobby
 Know every inch on that body, but the feeling is new

Still catching feelings for you

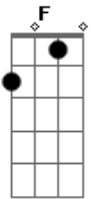

Otherworld, voodoo, babe
 Supernatural sugarcane
 Overdrive all the way
 Hypersonic ricochet
 In my head everyday
 Like a melody, babe
 Sky like baby blue

Still catching feelings for you
