I dont wanna hear the wedding bells bloom
F G
Maybe we can try
Am
One last time

But I dont wanna hear the wedding bells chime

F G
Trying to fall asleep
Am G
You wake me up cause im trying to see the light

F G
Instead of feeling right
Am C
I dont wanna hear the wedding bells chime
Wedding bells, wedding bells

Am C G
Pardon my harsh reaction
F Am C
You put me on the spot

Showing you im all happy
