

# Jonas Brothers - What A Man Gotta Do

tom:

Intro: E

[Primeira Parte]

Caught my heart about one, two times

Don't need to question the reason

I'm yours, I'm yours

I'd move the earth or lose a fight

Just to see you smile

'Cause you got no flaws, no flaws

[Pré-Refrão]

I'm not tryin' to be your part-time lover

Sign me up for the full-time

I'm yours, all yours

[Refrão]

So, what a man gotta do?

What a man gotta do

To be totally locked up by you?

What a man gotta say?

What a man gotta pray

To be your last good night

And your first good day?

So, what a man gotta do?

What a man gotta do

To be totally locked up by you?

What a man gotta do?

What a man gotta prove

To be totally locked up by you?

[Segunda Parte]

You ain't tryna be wasting time

On stupid people in cheap lines

I'm sure, I'm sure

So I'd give a million dollars

Just to go grab me by the collar

And I'll come build us, build us

[Pré-Refrão]

I'm not tryin' to be your part-time lover

Sign me up for the full-time

E

I'm yours, I'm yours
