

Jonas Brothers - X (feat. Karol G)

tom:

Intro: Em Am D
Em Am D

[Primeira Parte]

Yeah
Ooh-la-la, by the pool, we're singing Baila_n do
Two ni-nights with a view, yeah
Keeping those blinds closed (yeah)
She said: I wanna find somebody by nightfall
Ooh-na-na, could it be ya
Baby, I like you

[Pré-Refrão]

Oh, watching her move, I was lost in the rhythms
And she pulled me close by the look in her eyes
Don't know her name, but I know that I need her
She said: boy, you won't be lonely tonight

[Refrão]

She said: ooh-ooh-ooh
Kiss me like your ex is in the room
Don't you be afraid of something new
If you play it right, you can be that someone
Yeah, that someone who
Won't leave me lonely tonight
Yeah, yeah, yeah
Yeah, yeah, yeah

[Segunda Parte]

Ooh-la-la, make a move, yeah, baby, by last call
Full Moon night with the lights off
Baby, your eyes glow (yeah)
Don't know why but I feel like
I'ma go psycho (psycho)
Ooh-la-la, if it's cool
Yeah, baby, I'd like to

[Pré-Refrão]

Oh, watching her move, I was lost in the rhythms
And she pulled me close by the look in her eyes (yeah)
Don't know her name, but I know that I need her
She said: boy, you won't be lonely tonight

[Refrão]

She said: ooh-ooh-ooh (ooh-ooh-ooh)
Kiss me like your ex is in the room (ooh-ooh-ooh)
Don't you be afraid of something new
If you play it right, you can be that someone
Yeah, that someone who (yeah)
Won't leave me lonely tonight

[Ponte]

Caliente, te pongo caliente
No te de' miedo vivir algo diferente (eh, eh)
Las ganas no se equivocan (-vocan)
Pon tu lengua en mi boca (boca)
Vive la vida loca, loca, loca

[Pré-Refrão]

Toda la noche bailando contigo
Suave y salvaje como un animal
Yo sé que te gusta, pero esto es prohibido
Yo me voy contigo, dame la señal

[Refrão]

She said: ooh-ooh-ooh (ooh-ooh-ooh)
Kiss me like your ex is in the room
(Ooh, ooh, ooh)
Don't you be afraid of something new
If you play it right, you can be that someone
Yeah, that someone who (yeah, yeah, uh)
Won't leave me lonely tonight
Ooh, ooh, ooh (ooh, ooh, ooh)
Ooh, ooh, ooh
Tonight
Ooh, ooh, ooh
Someone who
You won't be lonely tonight
