Gbm7 **Abm7**
You're my faithful friend
A7 **Abm7**
When I feel like I'm on my own
Gbm7 **Abm7**
You remind my heart
A7 **Abm7**
It's darkest right before the dawn

Gbm7 **Abm7**
'Cause even in the dead of night
A7 **Abm7**
When darkness is on every side
Gbm7 **Abm7**
You're telling me to lift my eyes
A7 **Abm7**
It's gonna be alright, alright
Gbm7 **Abm7**
Suddenly a light will shine
A7 **Abm7**
As we're waiting for the morning light
Gbm7 **Abm7**
As steady as a new sunrise
A7 **Abm7**

Acordes

It's gonna be alright, alright

Gbm7 **Abm7**

Although this night is long
A7 **Abm7**
On your faithfulness I can depend

Gbm7 **Abm7**
'Cause even in the dead of night
A7 **Abm7**
When darkness is on every side
Gbm7 **Abm7**
You're telling me to lift my eyes
A7 **Abm7**
It's gonna be alright, alright
Gbm7 **Abm7**
Suddenly a light will shine
A7 **Abm7**
As we're waiting for the morning light

It's gonna be alright, alright
