

Jonathan Ogden - By The Streams

tom:

G

[Primeira Parte]

I have found my soul's delight
 In You, Lord
 In You, Lord
 I have found my soul's delight
 In Your eyes
 In Your eyes

[Pré-Refrão]

And Your Word is water to my soul
 Your Word is life to me
 Your Word is water to my soul
 Your Word is life to me

[Refrão]

So plant me like a tree by the streams
 Of living water
 Plant me like a tree by the streams, by
 The streams
 Plant me like a tree by the streams of
 Living water
 Oh, plant me like a tree by the
 Streams, by the streams

[Pré-Refrão]

'Cause Your Word is water to my soul
 Your Word is life to me

Your Word is water to my soul
 Your Word is life to me
 [Refrão]

So plant me like a tree by the streams
 Of living water
 Plant me like a tree by the streams, by
 The streams
 Plant me like a tree by the streams of
 Living water

Oh, plant me like a tree by the
 Streams, by the streams
 [Ponte]

Day and night I will meditate on Your
 Word
 Day and night I will meditate on Your Word
 Day and night I will meditate on Your Word
 Day and night I will meditate on Your Word

[Refrão]

So plant me like a tree by the streams
 Of living water
 Plant me like a tree by the streams, by
 The streams

[Ponte]

Day and night I will meditate on Your
 Word
 Day and night I will meditate on Your Word
 Day and night I will meditate on Your Word
 Day and night I will meditate on Your Word
