

# Jonathan Rhys Meyers - This Time

Tom: D

Intro 4x: D B

Tonight the sky above reminds me of you, love  
 Walking through wintertime where the stars all shine  
 The angel on the stairs will tell you I was there  
 Under the front porch light on a mystery night

Refrão:

I've been sitting watching life pass from the sidelines  
 Been waiting for a dream to seep in through my blinds  
 I wondered what might happen if I left this all behind  
 Would the wind be at my back? Could I get you off my mind

Na 1ª passagem: This time (Intro)  
 (G Em) 4x B A

Na 2ª passagem: This time

(Refrão)

This time  
 The neon lights in bars and headlights from the cars  
 Have started a symphony surround of me  
 The things I left behind have melted in my mind  
 And now there's a purity inside of me

(Refrão)
