

Jonathan Richman - Let Her Go Into The Darkness

tom:

Intro: Gm Cm Gm Dm

Well she's back with her old boyfriend
 He don't challenge her. He don't contend with her
 And she don't answer the cards you send

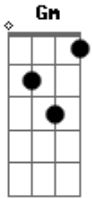

Now you're jealous of the time he spends with her

Just let her go into the darkness
 Let her learn from all the things there
 Just let her go into the darkness
 Let her go, let her go, let her go.
