The bombs have dropped and they're falling on my face

But I won't stop till it's done.
                    Dm
Fire and glow will be fading out soon,
'cause my conscience broke and my heart's out of tune,
    C
          Dm
                      Am
But I won't stop till it's done,

No, I won't stop till it's done.
