

Jonathan Young - Gurenge

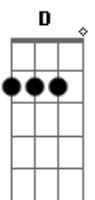

tom:
B
 Finding my reasons why, I'm learning to be strong
 Take my hand and I'll come along
 I feel my head start to spin at all of the muddy flashbacks
 My hands are shaking and I feel my heart start to tense
 Cause of something worth grabbing hold of
 And that's all I've got
 I smell the scent of night
 (I spend all day and night)
 Even when I'm staring at the sky
 (Staring into the sky)

I've started seeing that I can only really change myself
 And that's all I've got
 Finding my reasons why, I'm learning to be strong
 Take my hand and I'll come along
 Dreams that you
 Can't erase no matter what! The present is unstoppable
 You love someone, then you become much stronger than you were
 I'd like to thank my sadness and pain
 Learned why I lost when I was beaten up
 The world around me won't let up
 So I will let this crimson lotus bloom
 And I will shine the fate
