

Jonny Lang - Lie to me

Tom: Db

(intro 2x) Bbm Eb

Lie to me and tell me everything is all right

Lie to me and tell me that you'll stay here tonight

Tell me that you'll never leave

and I'll just try to make believe

that everything you tell me is true

Lie to me go ahead and lie to me (2x)

Lie to me it doesn't matter anymore

It could never be what it was before

If I can't hold on to you
 leave me with somethin' I can hold onto
 for just a little while won't you let me be

(solo) Bbm Eb Bbm Eb Gb Ab Bbm Eb Gb F

Anyone can see

that you love him more than me

But right now baby let me pretend

that our love will never end

Lie to me go ahead and lie to me (4x)
