

# Jonny Lang - Still Rainin'

Tom: Ab

(Fm Ab Bb ) intro 4X

(Fm Ab Bb )  
 Clouds, one by one, they fill the sky  
 Just like these tears, they fill my eyes  
 Well I know by now that she ain't comin' back  
 And I watch my world slowly fade into black

(Refrão)  
 (Fm Ab Bb )  
 Look out my window, still rainin'  
 Look out my window, still rainin'

(Fm Ab Bb )  
 They say that time heals everything  
 Well I know the pain, honey, that love can bring  
 It don't get no better with each passin' day  
 Any hope I had slowly slippin' away

(Refrão)

Db I thought the moring would rescue me Fm  
 Db C7 Bb  
 But the rain keeps fallin' endlessly, endlessly

(Solo) Fm Ab Bb 4X Fm Eb Fm Eb (Fm Ab Bb )2X

(Fm Ab Bb )  
 Sometimes I wonder what'll become of me  
 'Cause there ain't much left of what I used to be  
 Her love shone on me just like the morning light  
 Now here I am, alone again tonight
