Tom: Ab

(Fm Ab Bb) intro 4X

(Fm Ab Bb)
 Clouds, one by one, they fill the sky
 Just like these tears, they fill my eyes
 Well I know by now that she ain't comin' back
 And I watch my world slowly fade into black

 (Fm Ab Bb)
 Look out my window, still rainin'
 Look out my window, still rainin'

(Fm Ab Bb)
 They say that time heals everything
 Well I know the pain, honey, that love can bring
 It don't get no better with each passin' day
 Any hope I had slowly slippin' away

(Refrão)

Db I thought the moring would rescue me Fm

(Fm Ab Bb)
 Sometimes I wonder what'll become of me
 'Cause there ain't much left of what I used to be
 Her love shone on me just like the morning light

Now here I am, alone again tonight
