Bm7 D Gbm A  
 What am I, supposed to do, supposed to do?  
 Bm7 D Gbm A  
 What am I, supposed to do, supposed to do?

Gbm  
 Another town has fallen  
 A  
 The people still are fightin'  
 Bm7 D7M  
 Their stories told in pictures  
 Gbm  
 And nothing ever changes  
 A  
 The what's the point in trying

Bm7  
 I dream of day  
 D  
 When the walls come down

A  
 When the lost are found  
 Bm7 D  
 We thought we had it all  
 Gbm  
 But the answers  
 A  
 Are still a world away

Bm7 D7M  
 So what am I, what am I, what am I?  
 Gbm A  
 What am I to do, what am I to do now?  
 Bm7 D7M  
 So what am I, what am I, what am I  
 A E  
 When's there's so much to lose now?

Bm7 D7M  
 And so you're out there running  
 Gbm  
 Searching for a shelter

A  
 Only to meet nothing that wants you  
 Bm7 D  
 You've swam across the waters  
 Gbm  
 And travelled through the deserts  
 A  
 Trying to find a new home

Bm7  
 I dream of day  
 D  
 When the walls come down

A

When the lost are found  
 Bm7 D7M

 Every human right
