

Jordan Suaste - God Or Universe Or Something Else

tom:
Bbm
 Is anybody there

The silence is so loud

On my knees and praying
Gb
 Wish you'd would make a sound

Ebm
 It's getting kinda dark
Bbm
 Lost inside my thoughts

Ab
 The tears that I've been crying
Gb
 Have all dried up

Fm Ebm
 I'm stressed to bones, I don't

Don't know where to go

Ab Bbm
 I want, someone to love me

Fm
 But I don't even know if I love myself
Gb

Can't stand the thought of being alone

Fm Ebm
 So I talk to the sky, but I already know
Bbm

Nobody's listening

Ab
 Can anyone hear me

Gb
 If you're God

Or the universe

Ebm
 Or something else

Bbm
 I'm begging you please send help
Fm

I can't seem to find myself

Gb
 If you're God

Or the universe

Ebm
 Or something else

Bbm
 I hope that you hear me now
Fm

I hope that you help me out
Gb Ebm

'Cause I'm dying inside
Bbm Fm

I'm dying inside

Acordes

Send me a sign, that I'm on the right path
Ebm
 That I'm not losing track of myself for nothing
Bbm
 Say it's all for something
Fm

Doesn't everything
Gb
 Happen for a reason

My hope, has been depleting
Ebm
 But I need to keep believing
Bbm
 One day I'll be happy again
Fm
 It'll be worth it in the end

Gb
 So if you're God

Or the universe

Ebm
 Or something else

Bbm
 I'm begging you please send help
Fm

I can't seem to find myself

Gb
 If you're God

Or the universe

Ebm
 Or something else

Bbm
 I hope that you hear me now
Fm

I hope that you help me out
Gb Ebm

'Cause I'm dying inside
Bbm Fm

I'm dying inside

Gb
 I'm dying

Ebm
 I'm falling

Bbm
 I'm losing

Fm
 But I'm trying

Gb
 So if you're God

Or the universe

Ebm
 Or something else

Bbm
 I'm begging you please send help

'Cause I'm dying inside this hell
