

Jorge Aragão - Gosto De Festa

Tom: F
Intro: C C7 F7 Bb7 Em Am Dm G7 C G7

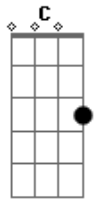

Toda vez que me abraço contigo
São tantos motivos pra enlouquecer
Te esquecer, juro que não consigo
Me viro do avesso pra não te perder
Quando estou... viajando em teus beijos
São tantos desejos que sinto nascer
Se um dia... você me deixar
Eu não deixo você

Ao sentir tuas mãos... flutuar em meu corpo
Me desprendo de mim... se fazer alvorço
Coração fica alerta... minhas portas abertas
E as palavras que surgem não posso dizer
São momentos sem fim... você dona de mim
Saboroso prazer... dá gosto de viver
Este gosto de festa... a minh'alma enfeita
Como foi bom te conhecer
Intro: dução
