

# Jorge Aragão - Loucuras de uma Paixão

tom:

Intro: Fm G7 Cm Fm G7 C7 Fm G7 Cm Eb7 D7 Db7 Cm G

Sem lhe conhecer

Senti uma vontade louca de querer você

Nem sempre se entende as loucuras de uma paixão

Tem jeito não

Cm

Olha pra mim

Faz tempo que meu coração não bate assim

Não faz assim, me diz seu nome

Não me negue a vontade de sonhar

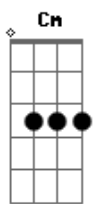

De sonhar os meus sonhos com você

Despertando pro seu adormecer

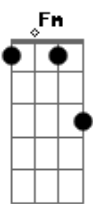

Seria bom demais

Que bem me faz, você
