

Jorge Aragão - O Negócio É Amar

Tom: D
Intro: A7 D7M Am Dbm7 Gbm Fm Em A7 D7M C#m7M B7 Bb7 A7

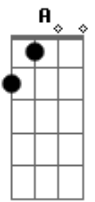

Tem gente que se ama e vive brigando
E depois que briga, acaba voltando
Tem gente que canta, porque está amando
Quem não tem amor, leva a vida esperando
Uns amam pra frente
E nunca esquecem
Mas são tão pouquinhos
Que nem aparecem
Têm uns que são fracos
E dão pra beber
Outros que fazem samba e adoram sofrer
Tem apaixonado que faz serenata
Tem amor de raça, amor vira-lata

Amor com champagne, amor com cachaça
Amor nos iates
Nos bancos de praça
Tem homem que briga pela bem amada
Tem mulher maluca que atura porrada
Tem quem ama tanto que até enlouquece
Tem quem dê a vida por quem não merece
Amores à vista, amores à prazo
Amor ciumento que só cria caso
Tem gente que jura que não volta mais
Mas jura sabendo que não é capaz
Tem gente que escreve até poesia
E rima saudade com hipocrisia
Tem assunto à beça pra gente falar
Mas não interessa o negócio é amar
