

# Jorge Claudius - Proposta

tom:

Intro: D F Db Gm C7

Eu te proponho nós nos amarmos, nos entregarmos

Nesse momento tudo lá fora deixar ficar

Eu te proponho te dar meu corpo

Depois do amor o meu conforto

E além de tudo, depois de tudo

Te dar a minha paz

Eu te proponho na madrugada você cansada

Te dar meu braço no meu abraço, fazer você dormir

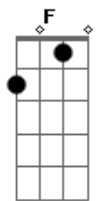

Eu te proponho não dizer nada

Seguirmos juntos a mesma estrada

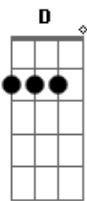

Que continua depois do amor no amanhecer

Eu te proponho
