

Jorge Rivera-Herrans - Warrior Of The Mind

tom:
 [Athena]
 Have you forgotten the lessons I taught you?
 [Odysseus]
 Atena!
 [Athena]
 Have you forgotten to turn off your heart
 This is not you
 I see you changing from how I've
 Designed you
 Have you forgotten your purpose?
 Let me remind you
 Goddess of wisdom
 Master of war
 My life has one mission
 Create the greatest warrior
 I had a challenge
 A test of skill
 A magic boar only the best could kill
 One day a boy came for the thrill
 A boy whose mind
 Rivalled the boar's own will
 [Odysseus]
 Let's go!
 [Athena]
 Maybe one day he'll follow me
 And we'll make a greater tomorrow
 Then they'll see
 I know he'll change the world cause
 He is a
 Warrior of the Mind
 Maybe one day I'll reach him
 And I can build his skills as I teach him
 If there's a problem, he'll have the answer
 He is a
 Warrior of the Mind
 (D 6X)
 [Odysseus]

 Show yourself
 I know you're watching me
 Show yourself
 I can see you
 [Athena]
 How can you see through my spell?
 [Odysseus]
 Haha!
 I was lying
 And you fell for my bluff
 Aha, haha!
 [Athena]
 Well done, enlighten me
 What's your name?
 [Odysseus]
 You first, and maybe I'll do the same
 [Athena]
 Nice try
 But two can play this game
 [Odysseus]
 Nah!
 Don't be modest!
 I know you're a goddess
 So let's be honest
 You are Athena (Athena!)
 Badass in the arena
 Unmatched, witty
 And queen of the best strategies we've seen
 [Athena]
 If you're looking for a mentor
 I'll make sure your times's well spent
 [Odysseus]
 Sounds like a plan
 Goddess and man
 Bestest of friends
 [Athena]
 We'll see where it ends
 [Odysseus]
 Okay
 [Athena]

Maybe one day they'll follow me and we'll

[Atena and Odysseus]

Make a greater tomorrow

Then they'll see

I know we'll change the world cause

We are the Warriors of the Mind

Maybe one day we'll reach them

And we can build their skills

As we teach them

Acordes

If there's a problem, we'll have the answer

We are the Warriors of the Mind

[Athena]

I still intend to make sure

You don't fall behind

Don't forget that you're a warrior

Of a very special kind

You are a Warrior of the Mind

Don't disappoint me
