

# Jorge Rivera-Herrans - We'll Be Fine (feat. MICO & Teagan Earley)

tom:

[Athena]

I had a friend before, and

He was a lot like you

I helped him fight through war, but  
He had his demons too

And then we grew apart

Then his light went dark

And so, I thought

Maybe, if I made a different call

Maybe if I hadn't missed it all

Maybe, he'd be fine

Maybe we'd unwind

Maybe, if I help another soul

Maybe, if I helped you reach your goal

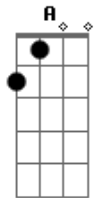

Life could be that bright

I could sleep at night

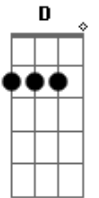

[Telemachus]

Athena, I don't know who your friend is

I don't know what he's like, but

My time with you has been splendid  
The best day of my life

'Cause I got in a fight, and I didn't die  
I've never felt strong before

You're my friend, I couldn't ask for more

And so, I think

Maybe, if life wasn't spent as planned

Maybe, it's time that you lend a hand

I don't think he'll mind

If not his friend, then mine

[Telemachus, Telemachus & Athena]

Maybe, to fall is to learn one way

Maybe, it's all gonna turn out great

I know we'll be fine

I know it's light you'll find

[Athena]

You're a good kid

[Telemachus]

Thanks
