

Jorge Vercillo - Ciclo Milenar

Tom: A

Jorge Vercillo / Maurício Mattar

[Intro:] Dbm7 Abm7 Gbm7 Abm7 Dbm7 Abm7 A7

Dbm7 Abm7 Dbm7
Final de século, a constância
Abm7 Dbm7 Abm7 Gbm7 Abm7
É o movimento de mudança
Dbm7 Abm7 Dbm7
Os signos da modernidade
Abm7 Dbm7 Abm7 Gbm7 Abm7
São velozes e atonais

Teu encanto de sereia,
Meus castelos de areia destruí
Sua cara de criança

Não dá medo nem esperança, mas sorri, mas só ri

Essa maldita insegurança
Sangra, sangra e não estanca
Me refugio em tantos filmes, livros
Pra esquecer de ti

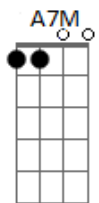

Cabeceiras e espelhos,

Parabólicas me trazem
Num mosaico de imagens, solidão, solidão

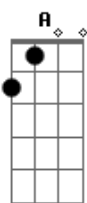

Bm7 E7
Clareza na janela deixa entrar
A7M Bb
Está na hora de acordar, Coragem!
Bm7 C
Pra brilhar na escuridão

De um novo ciclo milenar, milenar
