

# Jorge Vercillo - Deusa do Amor

Tom: C

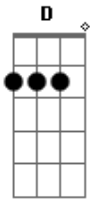

[Intro:] Dm G C Bb F G C

E foi assim  
 Uma luz brilhou no céu de noite  
 E eu fiquei louco a olhar  
 E foi assim  
 Pintaram tantas coisas pra mim  
 Que nem dá pra acreditar

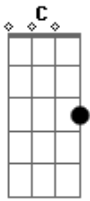

Era como um sonho bom  
 Um lindo toque a me despertar  
 Eu devia caminhar  
 Livre, ser feliz e amar...

Solo: G C  
 E foi assim  
 Uma deusa feita de amor brilhou  
 Sorriu para mim  
 E me beijou  
 Deixando um cheiro de jasmim para sempre  
 Dentro de mim
