

Jorge Vercillo - Deusa do Amor

Tom: C

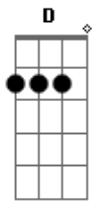

[Intro:] Dm G C Bb F G C

E foi assim
 Uma luz brilhou no céu de noite
 E eu fiquei louco a olhar
 E foi assim
 Pintaram tantas coisas pra mim
 Que nem dá pra acreditar

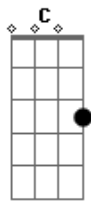

Era como um sonho bom
 Um lindo toque a me despertar
 Eu devia caminhar
 Livre, ser feliz e amar...

Solo: G C
 E foi assim
 Uma deusa feita de amor brilhou
 Sorriu para mim
 E me beijou
 Deixando um cheiro de jasmim para sempre
 Dentro de mim
