

Jorge Vercillo - Fascinação

Tom: D

Introdução: Bm C A7 Gb7 Bm E7 A7 E7

Os sonhos mais lin...dos sonhei

De quimeras mil, um castelo ergui

e no teu olhar, tonto de emoção

com sofreguidão, mil venturas previ.

0 teu corpo é luz, sedução,

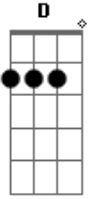

poema divino, cheio de esplendor.

Teu sorriso prende,

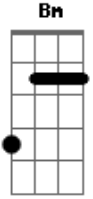

inebria, entontece.

És fascinação, amor
