Intro: Gbm Gbm Gbm B7 B7 Abm Abm Abm Ab7 Ab7 (2x)

É incrível nada desvia um destino hoje tudo faz sentido
 E ainda há tanto a aprender

E a vida tão generosa comigo veio de amigo a amigo
 Me apresentar a você

Paralisa com seu olhar, Monalisa
 Seu quase--rir ilumina tudo ao redor
 Minha vida ai de mim me conduza
 Junto à você ou me u-----sa pro seu prazer
 Me fascina deusa com ar de menina

Db7 Db7 A E G

Não se prenda a sentimentos antigos
 Tudo que se foi vivido me preparou pra você

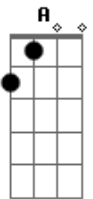

Não se ofenda com meus amores de antes todos tornaram-se
 ponte Pra que eu chegasse a você

(refrão)

 Seu quase--rir ilumina tudo ao redor
 Minha vida ai de mim me conduza
 Junto à você ou me u-----sa pro seu prazer
