

Jorge Vercillo - Pode Ser

Tom: G

(Pedro Mariano)

[Intro:] G Db Am C

G D Em Em C G Am C
 Já me acostumei com a insegurança de quem não quer sofrer
 G D Em Em C G Am C
 A paixão certa que nos alcança, quem poderá prever
 G D Em Em C G Am C
 A profundidade e o envolvimento, não dá pra controlar
 G D Em Em C G E7 E7

A longevidade do sentimento, só o tempo dirá

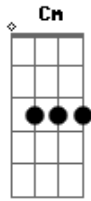

C G Dm G7
 Pode ser, uma nova ilusão
 C Dm G7
 Pode ser, esse meu coração
 Dbm Cm C G
 Ou será o amor, ou será

Quando a tua boca me rouba um beijo sinto meu chão rachar
 Amo teus contornos em ti me vejo, dentro do teu olhar
 Mas bem lá no fundo me bate um medo, medo de me entregar
 Quase todo mundo tem um segredo, me ajude a desvendar
