

Jorge Vercillo - Quer Dizer

Tom: G

Intro: A7M B7 Abm7 Db7

Você sabe o que o seu beijo quer dizer?

E a imaginação anseia revelar?

Como vou me proteger, ou se vou me aventurar?

Tão suave e perigoso esse luar!

Movimento que me instiga prosseguir
Conjunção de tempo-espaço em sedução

Deixa o rio chegar ao mar deixa o amor acontecer
Você sabe o que seu beijo quer dizer

Mas me invade e cobre a tela
Desse filme que escrevi

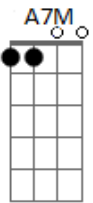

E me encerra no deserto que há em mim

Me faz beber desse oásis pra que eu possa descobrir:

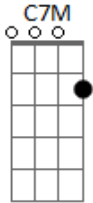

Na verdade o que seu beijo quer dizer

É que o pa...raíso ainda está por vir
