

Jorge Vercillo - Tudo Ilusão

Tom: A

(Jorge Vercillo / Altay Veloso)

[Intro:] C7M D7M E7M

Aquela noite jamais existiu pra mim

Eu sonhei era ilusão e nada mais

Só ilusão, mentira, era só ilusão...

Só ilusão, feitiço

No outro dia, eu sei, nem tem porquê

Flores nem bombom

O teu cheiro no meu corpo

No bolso o teu cartão

E as estrelas lá no céu

Tudo, tudo ilusão, mentira

Tudo, tudo ilusão, feitiço

Tudo, tudo ilusão, magia

Até as manchas de um rubro batom

Só sei que nunca dormi tão feliz assim

Bem que eu vi era ilusão e nada mais

Só ilusão mentira, era só ilusão...

Só ilusão feitiço

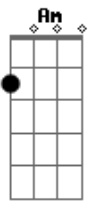

Bom demais pra ser verdade, mas foi tão real...

Os vestígios que ficaram, imaginação...

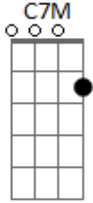

E o champagnem que restou

Só sei que foi tão bom...
