

Jorja Smith - Carry Me Home (feat. Maverick Sabre)

Tom: D

D
Midnight strikes, where is my prince? A
Bm Gbm
Lost my comfort, more time to think
G D
Broken and bruised, tell me what I am
G A D
Feel so unused, help me find your hand

Em A
I guess the sun still waits here
Em A
Got to hold it up for him

D
Carry me home
Em
Bear my weight on your shoulders
Bm
Carry me home
A
Nothing else matters
G
Carry me home

A
Bear my weight on your shoulders
Em Gb
Carry me home and don't let go

D A
Said... Said I don't ever say things, so you can heal
Bm Gbm
Yet I waited all for you seas to fill
G

D
Now this bottle seems to hard to place down and leave to help
G
A
And I feel like I've become your pain, you darlin' won't be saved
Em
With me

Em A
I guess the sun still waits here... here
Em A
Got to hold it up for him

D
Carry me home
Em
Bear my weight on your shoulders
Bm
Carry me home

A
Nothing else matters
G
Carry me home

A
Bear my weight on your shoulders
Em
Carry me home
Gb
And don't let go

Em A
I guess I'm still here waiting
Em
Darling I'm sorry I tried... ?I gotta hold it up for him
