

Jorja Smith - Don't Watch Me Cry

tom:

[Primeira Parte]

Bbm
Oh, it's hurts the most 'cause I don't know the cause

Ab
Maybe I shouldn't have cried when you left and told me not to wait

Bbm **Gb**
Oh, it kills the most to say that I still care

Ab
Now I'm left tryna rewind the times you held and kissed me back

[Pré-Refrão]

Gb **Ab** **Bbm**
I wonder if you're thinkin' "Is she alright all alone?"

Gb **Ab** **Bbm**
I wonder if you tried to call but couldn't find your phone

Ab **Gb** **Db** **Ebm**
Have I ever crossed your thoughts because your name's all over mine

Gb
A moment in time, don't watch me cry

Ab
A moment in time, don't watch me cry

[Refrão]

Gb **Db**
I'm not crying 'cause you left me on my own

Bbm **Ab**
I'm not crying 'cause you left me with no warning

Gb **Db**
I'm just crying 'cause I can't escape what could've been

Bbm
Are you aware when you set me free?

Ab
All I can do is let my heart bleed

[Segunda Parte]

Bbm **Gb**
Oh, it's harder when you can't see through the thoughts

Db **Ab**
Not that I wanna get in but I want to see how your mind works

Bbm **Gb**
No, it's harder when they don't know what they've done

Db
Thinking it's better they leave, meaning that I'll have to move on
