

# Jorja Smith - Teenage Fantasy

tom:  
 You weren't the boy I thought I knew  
 Maybe I was blind, I was young  
 I didn't have a clue  
 You were the topic of my lunch times  
 I'd bore the girls about our chats  
 And get upset when you didn't text back  
 I was warned by my brothers  
 To find another lover  
 Stop falling for these boys  
 Who didn't want the same as me  
 And I was warned by my brothers  
 To find another lover  
 Stop falling for these boys  
 Who didn't want the same as me  
 We all want a teenage fantasy  
 Want it when we can't have it  
 When we got it we don't seem to want it  
 We all want a teenage fantasy  
 Want it when we can't have it  
 When we got it we don't seem to want it  
 I've got a lot of things to do  
 What if I had been a fool  
 And thought I was in love with you?  
 I need to grow and find myself  
 Before I let somebody love me  
 Because at the moment I don't know me  
 When I was told by my father  
 If I look into the future  
 Do I really see this boy  
 That I think I've fallen for?

And I was told by my mother  
 If I look into the future  
 Do I really see this boy  
 That I think I've fallen for?  
 We all want a teenage fantasy  
 Want it when we can't have it  
 When we got it we don't seem to want it, no  
 We all want a teenage fantasy  
 Want it when we can't have it  
 When we got it we don't seem to want it  
 When we are young  
 We all want someone  
 Who we think is the one  
 Just to fit in  
 There's no need to rush  
 Take your time  
 Life's a big old ride  
 Sit back and enjoy the vibe  
 When we are young  
 We all want someone  
 Who we think is the one  
 Just to fit in  
 There's no need to rush  
 Take your time  
 Life's a big old ride  
 Sit back and enjoy the vibe  
 We all want a teenage fantasy  
 Want it when we can't have it  
 When we got it we don't seem to want it  
 We all want a teenage fantasy  
 Want it when we can't have it  
 When we got it we don't seem to want it
