

José Augusto - Fantasias

Tom: A

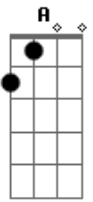

Me chama, me conta, me diz como vai tua vida
 Mas diz a verdade com jeito pra não machucar
 Me engana que sente saudade que ainda não me esqueceu
 Que o seu amor ainda é só meu

Confessa que eu tinha razão e você estava errada
 Disfarça não diz que esse outro te faz mais feliz
 Que o seu amor ainda é só meu

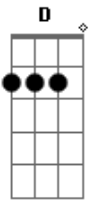

Me engana me esconde a verdade sonhar é melhor que sofrer
 Mente pra mim, me ajuda a viver

Deixa eu pensar que isso tudo é fantasia
 Que eu te tenho todo dia
 Que eu nunca te perdi
 Deixa eu te amar hoje muito mais que antes
 Pelo menos um instante
 Quero ter você aqui
