

José Mendes - Berço Saudoso

tom:

[Intro] Dm G Em Am

F G C

Nossa Senhora dos Navegantes
 Protetoras dos navegadores
 Cubra com seu manto divino
 Todos nossos pescadores ?

Que se afastam dos seus lares
 Para longe, bem longe pescar

O barco é o berço saudoso
 Adormece no embalo das ondas do mar

Com chuva frio ou calor

Joga a rede no mar pescador

Pescador dos mares bravios

Das correntezas dos rios que sonham também

O barco é um pedaço de chão

Longe do torrão onde fica o seu bem

As vezes contemplando o infinito

Por que é tão bonito em noite de luar

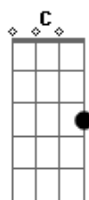

O barco é o berço saudoso

Adormece no embalo das ondas do mar

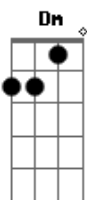

Com chuva frio ou calor

Joga a rede no mar pescador
