Vem cá meu amor

Me abrace me agarre e se esfregue

E vamos dançar no balanço da lambada reggae  
Vem cá meu amor

Me abrace me agarre e se esfregue

E vamos dançar no balanço da lambada reggae

Venha cá morena vem me ensinar remexer

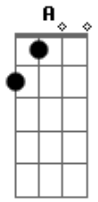

Esse seu gingado me deixa morrendo de amor por você

É uma loucura a poeira levanta do chão

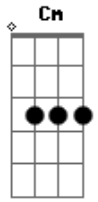

E só vai dá eu e você aqui dentro desse salão

( Cm Bb Ab G )
