

# José Roberto - Desculpas

Tom: A

Intro: Ab Gb Ab Gb Ab

Eu vim te pedir desculpas do que eu te fiz Bbm

Pois eu magoei a quem me fazia feliz

Mas hoje eu já sei (o caminho),

Eu encontrei (a verdade)

Eu conseguir (uma razão)

Pra a gente ser gente, meu bem

Eu vim te dizer que foi o tempo que me ensinou

Tudo o que eu pensava saber

E foi mais tarde que eu entendi

Que era errado o meu modo de proceder

Eu vim te dizer que hoje eu sei o mal que eu te fiz

Que você pôde ver no meu rosto

Que a distância entre nós me marcou

E eu não posso negar que me arrependi

(Repete tudo)

Eu vim te pedir desculpas do que eu te fiz

Pois eu magoei a quem me fazia feliz

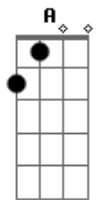

Eu vim te pedir desculpas do que eu te fiz

Pois eu magoei a quem me fazia feliz

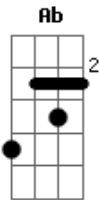

Eu vim te pedir desculpas do que eu te fiz

Pois eu magoei a quem me fazia feliz
