

Joseph Vincent - If You Stay

Tom: A
Intro: A Dbm D Eb

I was standing on the other side
Watching you leaving
I couldn't see you go
You know that I was so sincere
when I said I need you here
'Cause this is your home now

Mini Bridge:

You're the one my everything
If you stay you'll make me sing

Chorus:

I'll give you my life
I'll give you my heart
Nothing will ever come between us
ever come between us
Tonight, I'll show you the way
Just promise me that you'll
Promise me that you'll stay

A Dbm D
00000000

Just promise me that you'll stay
(repeat)

Verse 2: (repeat verse 1)

When you're with me I feel so alive
You're the Bone to my Clyde
We can paint the town
But you're so far.(ohh) pause
You're so far (aah)pause
And that can't even hold me down

Mini Bridge:

You're the one my everything
If you stay you'll make me sing

Chorus:

I'll give you my life
I'll give you my heart
Nothing will ever come between us
ever come between us
Tonight, I'll show you the way
Just promise me that you'll
Promise me that you'll stay

Bridge:

And I know that I found so true
You are to me as I am to you
And I know that we can't just stay
even though we ain't together
Our love still remains

Last chorus: (Same Formations as the chords for verse and chorus, just a full step up)

I'll give you my life
I'll give you my heart
Nothing will ever come between us
ever come between us
Tonight, I'll show you the way
Just (promise me that you'll) promise me that you'll
stay
Promise me that you'll stay
