

Josh Farro - On a Wire

Tom: B

Afinação: Db Gb Cb E G Db [Intro]

Abm Gb B

Abm Gb B
 Awake at night, comfortably restless in this bed
 Abm Gb B
 We push rewind on conversations in our heads

Abm Gb B
 The silence, the silence steals the air

B Abm
 I've got you walking on a tight rope, honey
 Gb B
 You're trying hard to keep the engine running

Abm
 Afraid you'll cross over the line

Abm Gb B
 A victim of this petty crime

I've got you walking on a tight rope, honey
 Gb B
 I've got you walking on a wire

Abm Gb B
 A glass of wine, a medication for the past
 Abm Gb B
 The hands of time can't turn around, can't take it back
 Abm Gb B
 Oh, the silence, the silence steals the air

B Abm
 I've got you walking on a tight rope, honey
 Gb B
 You're trying hard to keep the engine running

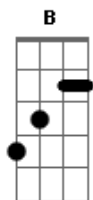

Abm
 Afraid you'll cross over the line

Abm Gb B
 A victim of this petty crime

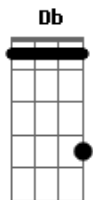

Abm Gb B
 I've got you walking on a tight rope, honey

Abm Gb B
 I've got you walking on a wire
